LAST MEETING (12 July)

Club members and guests had a great tour of Morocco and Spain (where **Rod and Bronwyn Mackenzie** spent 20 and 10 days respectively). There were tech problems but eventually some great photos appeared and Rod and Bronwyn went all out and wore Moroccan costumes to entertain. Members were not put off by tales of a rough camel ride and sniffer cats at the airport!! ...and all went home dreaming of the great food and the fantastic sights.

**Trevor Bills
YEP 2004-05**

CLUB SPEAKER:

Trevor Bills , former YEP exchange student with the club (2004-2005) is visiting Woopi again with his family. Trevor updated members on his life since leaving Woolgoolga . He is now a pharmacist and manages an outlet in a little town (pop, 10,000) 1½ hours from Alberta. His wife Dawnelle is a teacher and they are really enjoying their Australian Adventure .Trevor said that being a Rotary exchange student had made such a difference to his life and he does still keep in contact with other students who were in the district that year.

SERGEANT'S SESSION

There were fines for the 4.30am soccer supporters (shame David F wasn't there to pay up for his soccer fetish). Technology was a feature...there were some techo fines for guest speakers struggling with setting up the slide show...and then there was a technological ingenuity fine for Terry who creatively worked out how to put lights up outside the house so Marlies could continue painting at night ! There were also late fines and late auction-related fines.
