TONIGHT (22 Jul)

Guest speaker tonight is **Barry Butler**. Barry worked on the Concorde supersonic jet airliner that operated 1976—2003 and is going to tell us some interesting things about his time doing that. Boy do we have some locals with interesting lives and tales to tell!

MESSAGES FROM PRESIDENT PAM re the year ahead

1) The date set for our Bush Dance with Tallowood is Sept. 21. Venue will be confirmed this week. This is a good chance to show the community we want to keep the village spirit alive in the face of increasing population. Get involved. If everyone offers to take on a job we will enjoy ourselves and not feel overburdened.

Proceeds will go to Men's Health projects in Australian Rotary Health

2) Planning to assist with a Community Project

We are committed to finding out what our community wants to happen. We are looking for folk who wish to get involved in a community assessment, folk with ideas on how to go about this or wish to be involved in some way. Rotary has tools to use but we need to think on how we use them. **We will be asking Community Groups to "Pitch a Project" for us to join and have already heard about a Scouts project and a Community Gardens Project. We will have lots to consider for sure..**

It's goal setting time. Don't leave it to the board. Think about directions for us for this year so we can have a clear focus on how we can grow, fund raise and nurture each other. Time for further discussion next meeting, brain storming time.

"One of my goals this year is to have every member have a role no matter how large or small. All in makes lighter work."

MANY HANDS MAKE LIGHT WORK

Our Club is kicking membership goals!!

3 new members at changeover and 3 more proposals since.

PITCH A PROJECT

Do you know a Community Group with a project our Rotary Club might assist with?

LAST AUCTION

Another successful auction on 6 July. Big thanks to all those who helped out. Sherwood Creek Rural Fire Service helpers received a donation of \$750 and were great helpers on the day.

SWAP MEET ALERT Sat 20 July

Our friends from the CWA with the assistance of Swap Meet Guru Karen Sedgwick are organising a Swap Meet on Saturday 20 July at the CWA building in front of our Rotary Auction Shed. 2pm-4pm with a \$10 entrance fee (afternoon tea provided). Bring something you no longer need (but in good condition) and swap it for something you can use (books, clothing, gifts you don't use, kitchenware, electronics, decorator items etc). CWA & Rotary share the proceeds so pop along and have some fun.

NEWS from YOUR BOARD

Our District Governor will be visiting our Club on 26 August. It's a chance to hear about plans for the District for the year ahead. **The DG's Partner's project this year is to support Lifeline.**

Stay tuned for news on the unveiling of the Jim Stephens/Buddha seat which our Club has championed.

Our Club plans for President Pam's year are shaping up but Pam is still interested in hearing any suggestions or ideas. So far current plans include the Ludhiana Indian International Project, Pride in Work, 'Pitch a Project' local community project, Bush Dance to raise funds for Men's Health projects via Rotary Health and seeking new members by being more visible in the community. Added to this we have our regular fundraiser auctions and annual projects including RYDA (youth driver safety) and the Coffs Coast Science and Engineering Challenge....a busy but exciting year...
