26 AUGUST—The District Governor Visit

District Governor Phil Hafey will be visiting us to update us on his aims for the year ahead for our Rotary District.

His partner Bronwyn has selected Lifeline as her Partner's project for the year.

Make sure you come along and get up to date with what's happening in our Rotary District, where Rotary is headed, and you always pick up ideas from other Clubs via the DG who gets to visit each club in the district and learn what they are up to.

**HAVE YOU
BOUGHT YOUR
TICKETS
FOR THE BUSH
DANCE YET?**

12 August for those who missed it...

As well as a couple of guests from Launceston in Tasmania, we also had a couple of Rotarians from Cooma drop in. They were on their way north to pick up a BBQ trailer for their club and while dining at the Cex club noticed our Rotary meeting and dropped by to say hi. So it was a night for travellers and David Fayle showed us some interesting history and scenery from recent travels to Nova Scotia...lighthouses, lobster and lovely scenery...

PITCH A PROJECT
**Do you know a
Community Group
with a project our
Rotary Club might
assist with?**

"FROM PRESIDENT PAM"

*From the
President's Desk*

If you have bush dance tickets to sell, now is the time to get out and promote the event as much as possible ... we want the event to be a big community celebration. Also we need some volunteers to help on the night with set up, raffle ticket sales, front of house, clean up at the end etc. Let me know if you can help out.

At last Board meeting we agreed to donate \$500 to CanDo cancer charity. We also decided to purchase a new lap top for the Club to replace the aging one that is increasingly striking problems. If you have recommendations let Lyndee know, as Board will be considering options at our next monthly meeting.

Finally, we hope you can all turn up for our DG's visit this Monday.

CURRYFEST ROTARY STALL ROSTER

Rotary is having a stall this year. Curryfest is Saturday 28 September. We will need to set up the marquee early in the morning and staff it from 9am onwards. We will hopefully be organising a chocolate wheel and surveying locals who visit the stall. It's all about presence in the community and encouraging new members or friends of Rotary. We need at least 2 on

the stall at any one time so let us know what 2 hour slot you can help. Any extras will be allocated to help on gate duty or at the Curryfest Merchandise tent but we will fill slots on the Rotary stall first.

Let Pam F. know if you can help and indicate whether you prefer an 8-10am time slot, 10-12, 12-2pm or 2-4pm.... Even pop in 4-5 to help with pack up if you are not attending the festival?

OCTOBER PLANT STALL - start potting up to support Lifeline!!

We are doing a plant stall again at the October auction with the proceeds to go to the DG's partner's project - LIFELINE. It's a worthy cause so start potting up some seedlings, making some jam or chutney, culling your garden tools, planting some produce to sell. Let's make this a good one!

CLUB REMINDERS

Help out if you can at next auction on Saturday 7 September (helpers are Corindi Rural Fire Service).

BUY your tickets now for the bush dance on 21 September...get a group together, tell your friends.

Let Patty know if you hear of someone who wants to pitch a project for Rotary support. Our first meeting in October will hear from the community applicants who would like some help from Rotary.

Let Lyndee know if you know of someone worthy of a Pride in Work Award (Awards will be made at our second meeting in October)
